Aneesh Kuttiyerimmal

Senior UI UX Designer

me@aokart.co.in • aokart.co.in • Bengaluru, India

Summary

With 9 years of extensive experience in UI/UX design, I possess a comprehensive skill set in wire-framing, visual design, prototyping, and usability testing. My proficiency extends to utilizing major tools such as Adobe XD, Sketch, and Figma to create seamless and user-centric designs. Throughout my career, I have successfully applied my expertise across various platforms, including mobile, tablet, TV, telephonic devices, and kiosk systems.
